“Spa Hibiscus- Making a beautiful difference”

Hibiscus began its journey as a spa and wellness brand in 2008 as a flag bearer for affordable luxury in the Indian Spa and Salon industry. Within a decade, Hibiscus has become synonymous with integrity and innovative wellness approach in an ever-changing scenario. With several awards and accolades that affirm our commitment to the cause, we have grown and evolved over time.

Here we bring our sense of innovation and the concept of sustainable wellness, to provide a wide range of wellness services. Today, Hibiscus is a brand spanning across several locations in diverse formats like day spas, corporate hotels, wedding destinations, resorts, luxury residences and cruise ships in India. It is our vision to create and help create a world of wellness where each of us can live better and meaningful lives with reasonable and sustainable lifestyle changes.

Your well-being is at the heart of every thought and action that has gone into creating therapies and services at Hibiscus. Each of the products we choose are tested to match our stringent standards whether they are market acknowledged brands or Ayurveda based therapies or our own hand blended Natural products. We are proud to consistently present to you the power of choice- to choose as you deem necessary- whether you choose to use market leading brands for immediate results or the long term benefits of Natural products. We are with you at every step of well-being.

Services using completely natural products

We believe every human body has the power to heal itself naturally. Nature might not provide instant quick fix solutions, but its results are long lasting. We always test products for their short-term and long-term effects before we bring it to you. Our natural range is in line with this principle. You can choose to go natural when you are at Spa Hibiscus. The only thing you need is patience! We encourage you to live our belief and allow nature to work its magic on you.

Services using market leading products

We have carefully chosen and selected only the best market leading products. We have been very selective while choosing these brands, as we want to provide you the best. We have stayed away from giving you too many brands to choose from; we have done that homework on your part. More products create more confusion and are difficult to manage operationally by therapists. Since each product has a unique philosophy, mixing and matching doesn't work. Consequently, when we say that we bring you the best market leading products, we mean it!

We welcome 'You' to the World of true Wellness - Welcome to Hibiscus.
